DANCERS PLEASE NOTE:

- **Dancer's Own Choreography:** Choreography notes are required for this category and must be received one week prior to the start of the festival. This must be emailed directly to prnfa.dance@gmail.com.
- **Contemporary:** Free movement of dance encompassing various dance disciplines with modern technique as its underlying base; such as the choreography of William Forsythe, Wayne McGregor, Akram Khan, Ohad Naharin (Gaga), Hofesh Shechter (Release technique), etc – a constantly evolving style of movement that explores and gives physicality to human ideologies, behaviours, and emotions, with emphasis on engaging the whole body.
Dance may use contemporary movement vocabulary from stylized to pedestrian (with modern technique as its basis) to tell a story, express a feeling, interpret a character, behaviour, or emotional state; eg Pina Bausch (Tanztheater Wuppertal). Movement should be related to the intent of the music while the choreography must engage the whole body. Dancers need not portray a character. Lyrics/vocals are permitted. This is not another interpretive category.
- **Modern:** a stylized dance form with its foundations on a technically based discipline such as Graham, Limon, Cunningham, Humphrey, Horton, and Ailey, etc. Dance that rejects the limitations of classical ballet; was formulated from natural rhythms, and which favours movement derived from the expression of inner feeling, contraction and release, suspension, fall and recovery, and dynamism. Movement may or may not be related to the music.
Dance may use a recognized/codified modern technique to tell a story, express a feeling, interpret a character, behaviour or emotional state. Movement should be related to the intent of the music. Lyrics/vocals are permitted.
- **Demi-Character:** (Demi meaning half.) This is a dance portraying a “character” employing classical technique from the waist down. Music must be appropriate to the character. Only props integral to the dance may be used. Sets and backdrops are not allowed. AT THE PROVINCIAL LEVEL, ONLY HAND-HELD PROPS ARE ALLOWED. No lyrics permitted; vocalization is permitted. Either soft ballet slipper or en pointe.
- **Contemporary Ballet:** Incorporates classical ballet techniques with greater range of movements which may not adhere to strict body lines for classical ballet. This style includes non-traditional movements, such as more relaxed steps, floor work and turned in legs, etc., to portray the concept of being more innovative, free and earth bound. The physical interpretation of the theme that the choreographer envisioned allows for more expressive emotions and feelings
- **Variety:** Dance suited to a stage production, a review, cabaret etc. Must be entertaining and diversified in movement. Live voice is not permitted. Lip-syncing is permitted. Judged on entertainment value.

- **Acro:** combines Dance technique with acrobatic elements to seamlessly blend the two mediums. Must be 50% Dance and 50% acrobatic movements. A simple prop may be used if integral to the Dance. Mats may not be used.
- **Hip Hop:** A constantly evolving form of dance that relies on individualism and personal style and emphasizes the expressive power of movement----should include but not be limited to choreography that incorporates a blend of contemporary funk and street style with jazz technique. May include moves such as gliding, popping, locking, waving, and utilize house, old school, and new school. May also include gymnastics/power moves or any series of tricks or stunts as long as music, costumes, and lyrics are age appropriate
- **Classical:** music should be classical or classical style music, no lyrics permitted.; vocalization is permitted. Soft ballet shoes, no sets permitted: hand-held prop may be used if integral to dance.
- **Pas de Deux:** open age, male and female – female en pointe.
- **Jazz:** Dance technique based on isolation of the body and/or contraction release
- **Lyrical:** A dance that is generally performed to music in slower tempos and interprets the lyrics or intent of that piece of music. This genre uses a soft jazz based technique with facial and body emotion to portray an idea, story or mood.
- **Musical Theatre:** Equal effort in dancing, singing and acting will be considered in the overall performance. Time limit for this category only, is four (4) minutes. Music with vocalization will not be permitted while a dancer is singing for solos; however music with vocalization will be allowed in-group Musical Theatre categories.
- **Interpretive** Dancers must use ballet technique, incorporating the body as the medium of expression and interpretation of the music in order to portray an intangible thought or mood, real or imaginary. This genre should express an idea but not tell a story. No set/props permitted. Ballet Shoes (soft or pointe) must be worn in this category. No lyrics permitted; vocalization is permitted. Submit title on entry form.
- **Tap:** Arms are complimentary and coordinated to the footwork. The rhythm of percussion is articulated through the feet and the entire body. The emphasis is on the clarity and shading of sounds, whether they are regular rhythm or syncopated. No dubbing of tap sounds permitted in accompaniment.

Recreation Division: To enter in this division a recreational dance student must be defined as a dance student who is **not** a member of a dance troupe or company and one whose dance focus is for purely extra curricular enjoyment not competition.

Teachers: This is a category for the **non-competitive students**, to give them an encouraging opportunity to dance. It is not acceptable to enter non-recreation students or to combine recreation with non-recreation in this division, if there are more than 50% non-recreational dancers in the group. **Please use good sportsmanship in judging whether your students truly fit the title of “recreational dancer”.** The festival reserves the right to reassign categories to dance students, whom they feel have been entered incorrectly. This is to ensure fairness to all dancers.

Please enter your students using the category numbers listed in this syllabus. Add an R in front of the category number to denote a recreational group or solo on the entry form.

The category will appear with an 'R' beside the category number in the program.
Categories will depend on the number of entries received.

NATIONAL DANCE

Dances from any country employing technique relative to that dance discipline. This may include Irish, Scottish and Polynesian.

Note: Our adjudicators are usually more adept at adjudicating ballet and stage dancers but in an effort to involve our local community, we have decided to include this category and provide a trophy to acknowledge the participation of our local national dance groups. Good luck and have fun!
